Subject: Standard Operating Procedure of Barefoot Technician Project and role of ASCI reg.

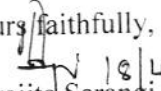

Dear ,

The Ministry has now fixed a target of training and deployment of Barefoot Technicians in the financial year 2016-17 (Annexe 1).

2. The comprehensive Standard Operating Procedure (SOP) incorporating the key processes and the roles and responsibilities of the key stakeholders for the execution of this project is enclosed (Annexe 2).
3. With respect to the role of ASCI in the assessment and certification of BFTs, the following key points may be noted:
 - i. Assist SIRD's of 18 states to become partner agencies of ASCI. A completion certificate from ASCI with respect to this will be appreciated.
 - ii. An explanatory document on the National Skills Development Corporation portal along with step by step instructions for the SIRD's for all aspects including registration, batch creation and certification is required to be shared with all SIRD's. A copy of such a document may be endorsed to MoRD by 15th May, 2016.
 - iii. Communicate the Assessment Calendar to MoRD as per the format enclosed (Annexe 3). A provisional calendar can be sent to MoRD by 31st May 2016.
 - iv. For each batch assessment, the results are to be shared in soft copy to the Ministry at ak.sumbly@nic.in. This is an added step for a coherent national picture.
 - v. Communicate to NIRD directly on reimbursement of payment @ Rs. 800 per candidate for assessment.
 - vi. Given the quantum of targets for this financial year, the question bank for assessment may be revised from time to time.
 - vii. ASCI may propose a module for assessment of BFT Trainers to be considered by the Ministry.

We look forward to your continued support in ensuring the success of this project.

Yours faithfully,

Aparajita Sarangi
Joint Secretary (MGNREGA)
