States were requested to ensure (a) 100% Aadhaar seeding of all the active workers in NREGASoft, (b) Collection of the worker's consent in two formats (Viz. MoRD and Bank). Consent in Bank format may be shared with Banks for conversion to Aadhaar Based Payment System (ABPS) and consent in the MoRD format may be kept as acknowledgement of receipt of consent from the beneficiaries. In addition minimize the PO Aadhaar verification pendency at Programme Officer level (PO Login).

To expedite the process of Aadhaar enrolment of MGNREGA workers and seeding the same into their Bank accounts, special camps may be organized at Block and GP level in consultation with the Banks/ Post Offices. Involvement of Bank Mitras and DoP may also be ensured where ever needed. The entire process (enrolment, seeding and APB conversion) has to be completed by **August 2016**.

As per UIDAI report, 93% Aadhaar enrolment has been achieved for the population above the age of 18 years. Accordingly, state were advised to expedite the seeding and APB conversion at least at par with UIDAI enrolment figures in respective States/ UTs.

Further, States/ UTs were directed to prepare and share with MoRD (MGNREGA Division) the date-wise and location wise (GP/Block) calendar of exercise for the same at email ID ritesh\_saxen123@yahoo.com and upload the same in the NREGASoft from PO Login. The provision will be enabled by **23<sup>rd</sup> May, 2016** in the NREGASoft to capture the calendar and outcomes of the camps along with the consent.
