June 10, 2016

Dear Sri Singh,

You are requested to refer to my letter dated 6th May, 2016 regarding expediting the process of Direct Benefit Transfer (DBT) implementation through Aadhaar seeding under the Mahatma Gandhi NREGA in your state. Ministry has reviewed the DBT status through video conference on 16th May, 2016 and 03rd June, 2016 with all the States.

2. As you would be aware, completion of the Aadhaar seeding in programme database (NREGASoft) and conversion to Aadhaar based payment (ABP) of all workers having their accounts in banks has to be completed in **July, 2016**.
3. Accordingly, States were requested to mobilize the concerned MGNREGA workers at either the local Bank branch or hold special camps between 15th May to 15th July, 2016 to achieve the above objectives within the stipulated time frame.
4. At your State level, as on date, there are 4221910 active MGNREGA workers out of which 590958 (14%) Aadhaar numbers have been seeded in the NREGASoft. However, conversion to Aadhaar based payments has been done for 22487 (1%) workers only so far.
5. The camps have been planned to cover 8076 (95%) Gram Panchayats out of a total of 8529 Gram Panchayats. **It is noted that till date consent of only 3674 workers for Aadhaar based payments have been taken. The fresh enrollment under Aadhaar has been done for only 1617 workers.** Moreover, there may be many individuals who would have applied for Aadhaar but have not received their Aadhaar numbers who also need to be provided with the same.
6. It would be appreciated that steps are taken to ensure that all workers who work under MGNREGA having accounts in banks during the current financial year are paid through APB at the earliest. I am sure that regular and continuous reviews at your level will help expedite the matter and the needful would be accomplished within the given timeline.

This may kindly be accorded "top priority".

Yours sincerely,
