Department of Rural Development/ Panchayati Raj (In charge of
MGNREGA)

Subject: GeoMGNREGA Review Meeting with States/UTs

Sir/Madam,

The Ministry of Rural Development has initiated GeoMGNREGA- with a aim to geotag all assets created under Mahatma Gandhi NREGS. So far, more than 2.15 crore assets have been geotagged and are available in public domain. GeoMGNREGA Phase-II has also been initiated on 1st November 2017 in 29 States and 2 UTs i.e. works under Mahatma Gandhi NREGA are geotagged in 3 Stages along with 2 photographs each, (i) Stage 1: Before the start of the work (location), (ii) Stage 2: During the work, (iii) Stage 3: On completion of the work.

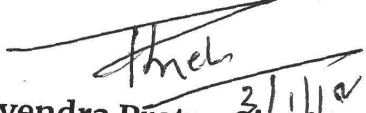

2. As the programme has been growing both in size and scope, it has become very crucial to monitor it, in the implementation. The performance of States/UTs is attached at Annexure-I.

3. It is desired that all works completed under Mahatma Gandhi NREGA must be geotagged in a time bound manner. States/UTs must pay special emphasis in ensuring that all works completed in Financial Year 2016-17, 2015-16, 2014-15, 2013-14 and 2012-13 are 100% geotagged by 28th February 2018. Also, works completed in the Financial Year 2017-18 by 28th February 2018, must be geotagged within one month of date of completion i.e. 28th March 2018 as per advisory issued by the Ministry. The targets of Asset ID creation and Geotagging for the month of January, 2018 are attached at Annexure-II.
