**Subject: Provision for additional employment over and above 100 days per household under Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) in notified flood affected areas of Karnataka**

**I. Background**

The Government of Karnataka has declared **45 Taluks in 8 Districts of Karnataka** as flood affected in the State (a list of flood affected Districts and Taluks is enclosed at Annexure-I), under relevant State regulations. As a result of the adverse impact on agriculture operations in these areas, there is a likelihood of increased demand for wage employment on public works. The Department of Agriculture and Farmers Welfare, MoA&FW, vide their letter No. 38-40/2018-DM dated 14.12.2018 has recommended extending the benefit of additional 50 days of employment per household under MGNREGA in the flood affected areas.(Annexure-II)

**II. Special dispensation in drought/flood/natural calamity hit Areas**

1. Currently, funds are being provided to the States/UTs under Section 22 of MGNREG Act for meeting the cost of employment upto 100 days per household in a financial year. As per the funding pattern, the Central Government funds the entire cost of unskilled employment upto 100 days per household and 75% of the corresponding cost of materials (including semi-skilled and skilled employment). The cost of employment over and above 100 days, if any, is borne by respective State/UT Governments.

2. In view of the likelihood of increased demand for employment on public works due to the flood situation, it has been decided, under Section 3(4) of MGNREGA, to provide upto **50 days of additional employment** in notified flood affected regions for **45 Taluks in 8 Districts of Karnataka** in the financial year 2018-19.
3. This additionality is subject to the following conditions:
  - (i) There is a Labour Budget (LB) which has been agreed to by the states/UTs and Central Government for the current financial year. LB includes an approved Shelf of Projects. Works will be taken up from this approved shelf. Initially, funds will be provided to States as per agreed to LB from where they will continue to meet the expenditure on account of providing employment upto 100 days and also for the increased number of days in notified areas;
  - (ii) If the approved shelf of projects in the agreed to LB is not adequate for meeting the increased demand for employment, a supplementary list, in accordance with works specified in Schedule I of the Act. However, states will make efforts to convince Gram Sabhas/ Gram Panchayats to give higher priority to flood protection works in flood affected regions.
  - (iii) Proposals for a revision of LB, if required, may be submitted by States/UTs in the same format and following the same procedure as for original LB. Based on an assessment of demand for employment, potential for providing employment on ongoing works and other factors, the Empowered Committee Chaired by Secretary, Department of Rural Development will take a decision on the proposal;
  - (iv) All other non-negotiables (conditions on use of machinery, wage material ratio, ban on contractors etc) and the stipulated processes in MGNREGA (such as 50% of the works in terms of cost to be assigned to Panchayats for implementation, wage rate, muster rolls, Social Audit, etc) will continue to apply.

### III. MIS

- (i) Currently, NREGASoft does not allow data entries for employment above 100 days to a HH in a financial year unless specifically requested for by the State/UT. In view of the decision referred to above, NREGASoft is being appropriately modified to allow entries for employment to registered HHs upto 150 days in notified Taluks/Tehsils.
- (ii) In addition to the existing arrangements for keeping details of employment upto 100 days, NREGASoft will keep separate details of expenditure on account of employment cost (wages and material separately) upto 50 days beyond the stipulated 100 days.

#### IV. Audit of Accounts and SEGF

The scheme funds including SEGF will be audited in accordance with the provisions of the Act and instructions/guidelines issued by the Central Government from time to time. Accounts of Implementing Agencies and SEGF will show separately, expenditure incurred on account of raising the limit from 100 to 150 days. The Auditor will also certify whether the funds released have been utilized in accordance with the norms/guidelines and whether funds required to be credited by States in SEGF have been done or not.

Yours faithfully,

Proceedings of Government of Karnataka

Sub: Declaration of 45 Taluks as Flood Affected Areas in the State for the year 2018-19 - reg -

Preamble

During the period in August 2018 from 14.08.2018 to 20.08.2018 rainfall has been received to the extent of 700 mm to 1,712 mm as a result of which, 8 Districts of the State such as Kodagu, Dakshina Kannada, Udipi, Chikmagalur, Shivamogga, Hassan, Uttara Kannada and Mysuru are subjected to Flood and land slide/soil erosion, consequent to this huge loss in food grains, loss of lives of human and livestock and large scale damage of infrastructures. As per the guidelines of SDRF/NDRF, a memorandum seeking financial assistance of Rs.1,199.99 crores has been submitted to Government of India on 30.08.2018. As a sequel to this revised memorandum seeking financial assistance of Rs.720.53 crores has been submitted to Government of India on 28.09.2018, after duly conducting comprehensive survey about the loss of crops, damage of infrastructures etc., occurred in these districts

Owing to the flood havoc, there has been large scale crop loss and also damage of infrastructures. In this backdrop, it is considered necessary to declare 45 taluks of 8 districts as Flood Affected Areas duly examined. Hence, the following order.

Government Order No: RD 207 TNR 2018, Bengaluru, Dated: 29.09.2018

In view of the facts explained in the above preamble, considering the magnitude of the heavy rains during August 2018 and consequent upon the huge loss in crops, loss of lives and large scale damage of infrastructures, 45 taluks of 8 revenue districts in the state as indicated in the annexure have been declared as flood affected areas and ordered to come into force with immediate effect.

As per the guidelines of SDRF/NDRF, district administrative machinery shall take up relief measures in the declared flood affected taluks.

By order and in the name of the  
Governor of Karnataka
