Subject: Provision for additional employment over and above 100 days per household under Mahatma Gandhi National Rural Employment Guarantee Act (Mahatma Gandhi NREGA) in notified drought affected areas of Manipur.

I. Background

The Government of Manipur has declared 15 Districts covering 71 Blocks of Manipur as drought affected in the State during Kharif 2019 (a list of drought affected District and Blocks is enclosed at Annexure-I), under relevant State regulations. As a result of the adverse impact on agriculture operations in these areas, there is a likelihood of increased demand for wage employment on public works. The Department of Agriculture and Farmers Welfare, MoA&FW, vide their letter No. No.38-19/2019-DM dated 09.10.2019 has recommended extending the benefit of additional 50 man-days employment per household under MGNREGA in the drought affected areas.(Annexure-II)

II. Special dispensation in drought/flood/natural calamity affected/hit Areas

1. Currently, funds are being provided to the States/UTs under Section 22 of Mahatma Gandhi NREGA for meeting the cost of employment upto 100 days per household in a financial year. As per the funding pattern, the Central Government funds the entire cost of unskilled employment upto 100 days per household and 75% of the corresponding cost of materials (including semi-skilled and skilled employment). The cost of employment over and above 100 days, if any, is borne by respective State/UT Governments.
2. In view of the likelihood of increased demand for employment on public works due to the drought situation, it has been decided, under Section 3(4) of Mahatma Gandhi NREGA,

दिएवत

to provide upto **50 days of additional employment** in notified drought affected regions for **15 Districts covering 71 Blocks of Manipur State in the financial year 2019-20.**

3. This additionality is subject to the following conditions:

- (i) There is a Labour Budget (LB) which has been agreed to by the states/UTs and Central Government for the current financial year. LB includes an approved Shelf of Projects. Works will be taken up from this approved shelf. Initially, funds will be provided to States as per agreed to LB from where they will continue to meet the expenditure on account of providing employment upto 100 days and also for the increased number of days in notified areas;
- (ii) In case no employment can be provided in ongoing works, the Competent Authority may start new work(s) from the shelf of projects that has been approved and inform the fact to concerned District Election Officer (DEO). No new work shall be started by the competent authority till such time employment can be given in ongoing works. In case no shelf of project is available or all works available on shelf have been exhausted then concerned Competent Authority shall make a reference to the Commission for approval through the concerned DEO. The Competent Authority shall also furnish a certificate to DEO to the effect that the new work has been sanctioned as no employment can be given to the job card holder in the ongoing work. Responsibility for following these instructions shall lie with the Authority sanctioning new work.
- (iii) Proposals for a revision of LB, if required, may be submitted by States/UTs in the same format and following the same procedure as for original LB. Based on an assessment of demand for employment, potential for providing employment on ongoing works and other factors, the Empowered Committee Chaired by Secretary, Department of Rural Development will take a decision on the proposal;
- (iv) All other non-negotiables (conditions on use of machinery, wage material ratio, ban on contractors etc) and the stipulated processes in Mahatma Gandhi NREGA (such as 50% of the works in terms of cost to be assigned to Panchayats for implementation, wage rate, muster rolls, Social Audit, etc) will continue to apply.

III. MIS

- (i) Currently, NREGASoft does not allow data entries for employment above 100 days to a HH in a financial year unless specifically requested for by the State/UT. In view of the decision referred to above, NREGASoft is being appropriately modified to allow entries for employment to registered HHs upto 150 days in notified taluks/blocks/tehsils.

150 days

- (ii) In addition to the existing arrangements for keeping details of employment upto 100 days, NREGASoft will keep separate details of expenditure on account of employment cost (wages and material separately) upto 50 days beyond the stipulated 100 days.

IV. Audit of Accounts and SEGF

The scheme funds including SEGF will be audited in accordance with the provisions of the Act and instructions/guidelines issued by the Central Government from time to time. Accounts of Implementing Agencies and SEGF will show separately, expenditure incurred on account of raising the limit from 100 to 150 days. The Auditor will also certify whether the funds released have been utilized in accordance with the norms/guidelines and whether funds required to be credited by States in SEGF have been done or not.

Yours faithfully,

(राघवेन्द्र प्रताप सिंह)
