"Addition of time limit upon confirmation tab for attendance upload in NMMS mobile app"

1. As soon as User will click on **"Confirm above attendance"** a pop up window will open with message **"Are you sure?"**
   - Two action options as 'Yes' / 'No' to be displayed for selection.
   - On selection of 'Yes', the App will redirect for Photograph capture function with timer of 120 Seconds i.e. 2 Minutes.
   - On selection of 'No', the App will redirect again to the marking & confirmation of attendance tab.

2. After taking the photograph, the Pop-up will be displayed for save of Attendance & Photograph as **"Are you sure to save Attendance & Photograph?"** with 2 Action options as 'Yes'/ 'No'
   - On selection of 'Yes', the attendance and Photograph will be saved through the app and confirmation message to be displayed as 'Attendance & Photograph saved'
   - On selection of 'No', the app will redirect the user to the marking & confirmation of attendance tab.
