To
Commissioner
Department of Rural Development
Government of Rajasthan
Jaipur

Subject: Provision for additional employment over and above 100 days per household under Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) in notified drought affected 5656 villages of 13 Districts of Rajasthan reg.

I. Background

The State Government of Rajasthan has declared **5656 villages of 13 Districts of Rajasthan** (listed in the Annexure) as drought affected during kharif 2016, under relevant State regulations. As a result of the adverse impact on agriculture operations in these areas, there is a likelihood of increased demand for wage employment on public works.

II. Special dispensation in drought affected Talukas/Areas

1. Currently, funds are being provided to the States under Section 22 of MGNREG Act for meeting the cost of employment upto 100 days per household in a financial year. As per the funding pattern, the Central Government funds the entire cost of unskilled employment upto 100 days per household and 75% of the corresponding cost of materials (including semi-skilled and skilled employment). The cost of employment over and above 100 days, if any, is borne by respective State Governments.
2. In view of the likelihood of increased demand for employment on public works due to the drought situation, it has been decided, under Section 3(4) of MGNREGA, to provide upto **50 days of additional employment** in notified drought affected Districts in the financial year 2016-17

3. This additionality is subject to the following conditions:

- (i) There is a Labour Budget (LB) which has been agreed to by the states and Central Government for the current financial year. LB includes an approved Shelf of Projects. Works will be taken up from this approved shelf. Initially, funds will be provided to States as per agreed to LB from where they will continue to meet the expenditure on account of providing employment upto 100 days and also for the increased number of days in notified areas;
- (ii) If the approved shelf of projects in the agreed to LB is not adequate for meeting the increased demand for employment, a supplementary list, in accordance with the procedure to be followed for preparing the shelf of projects, will be prepared. However, works specified in para 4 of Schedule I of the Act as notified on 3rd January, 2014 may be considered for inclusion in the supplementary list. Priority for works in the supplementary list shall be determined by each Gram Panchayat in meetings of the Gram Sabha and the Ward Sabha. However, states will make efforts to convince Gram Sabhas/ Gram Panchayats to give higher priority to drought proofing works including works relating to water and soil conservation in line with the objectives of Pradhan Mantri Krishi Sinchayee Yojana (PMKSY);
- (iii) Proposals for a revision of LB, if required, may be submitted by States in the same format and following the same procedure as for original LB. Based on an assessment of demand for employment, potential for providing employment on ongoing works and other factors, the Empowered Committee Chaired by Secretary, Department of Rural Development will take a decision on the proposal;
- (iv) All other non-negotiables (conditions on use of machinery, wage material ratio, ban on contractors etc) and the stipulated processes in MGNREGA (such as 50% of the works in terms of cost to be assigned to Panchayats for implementation, wage rate, muster rolls, Social Audit, etc) will continue to apply.

III. MIS

- (i) Currently, NREGASoft does not allow data entries for employment above 100 days to a HH in a financial year unless specifically requested for by the State. In view of the decision referred to above, NREGASoft is being appropriately modified to allow entries for employment to registered HHs upto 150 days in notified tehsils.

- (ii) In addition to the existing arrangements for keeping details of employment upto 100 days, NREGASoft will keep separate details of expenditure on account of employment cost (wages and material separately) upto 50 days beyond the stipulated 100 days.

IV. Audit of Accounts and SEGF

The scheme funds including SEGF will be audited in accordance with the provisions of the Act and instructions/guidelines issued by the Central Government from time to time. Accounts of Implementing Agencies and SEGF will show separately, expenditure incurred on account of raising the limit from 100 to 150 days. The Auditor will also certify whether the funds released have been utilized in accordance with the norms/guidelines and whether funds required to be credited by States in SEGF have been done or not.

Yours faithfully,
